 - * Families withdrawing January 2020 - end of the school year are responsible for 100% of these charges.
 Same policy applies if student is expelled or terminated for any reason.

- Accounts not paid by the 5th of the month will be charged \$15 a day for missed payment for up to 30 days (unless arrangement for payment is made). There is a \$35 return check fee for any insufficient funds. There will be a charge for any attorney's fees necessary to collect any balance due.

7. If any account becomes more than 30 days past due, the student will be subject to removal from class until the account is made current or arrangement for payment has been made with Kent Academy. Records and report cards will be held by Kent Academy for past due accounts until the past due balance is paid in full or acceptable arrangements are made with the director of the Academy.
8. Tuition payments are calculated on a monthly basis and are not pro-rated. If a student withdraws during the school year, tuition is charged as stated above in section 4 of Financial and Payment Policies and payment is due in compliance with the Kent Academy refund policy. **If a student enrolls after the school year has started, at any point in a given month, tuition is due for that entire month.**
9. If there is any indebtedness to Kent Academy, certificates of completion will not be awarded, report cards will be withheld, re-enrollment denied and transcripts will not be released. Indebtedness includes any past due tuition, dues or fees, damage charges or unreturned equipment. Kent Academy will consider all accounts that are 90 days over due to be delinquent and will turn these accounts over to a collections agency if an effort has not been made by the student's family to resolve such an account.
10. A 30 day notice is required for students to withdraw from Kent Academy.

I hereby register my student(s) to attend Kent Academy and complete the entire school year. In making this registration, I agree to comply with the financial policies of Kent Academy as detailed above. I understand this is a binding agreement with Kent Academy and know Kent Academy's financial commitments and teacher salaries are dependent on my follow through of this agreement.
