Parents will be notified of field trip details through school correspondence in advance of the scheduled event. Details provided will include location, date, time, transportation plan, lunch plan, appropriate dress, and associated fees. By enrolling your child at The Kent Academy, you are giving tacit permission for your child to attend any and all school sponsored field trips according to the statement below. If you wish to "opt-out" of a field trip, you must do so in writing to the Director by the date specified on the field trip notice.

As parent/guardian, I give permission for this child to participate in all school sponsored field trips during the _____ academic year. I agree to take full responsibility for my child's participation in all field trips and assume all risks involved. I agree to hold Kent Academy harmless for any accident or injury, regardless of degree, incurred by my child while traveling to and from or participating in any field trip and do fully release Kent Academy from any liability. I understand that it is my responsibility to notify the school in writing by the date specified in the field trip details if I wish to rescind permission for any particular trip.
